

CRISIS - CROSS words

 Complete the sentences with words from the word box.
Then match the words with the numbers to complete the puzzle.

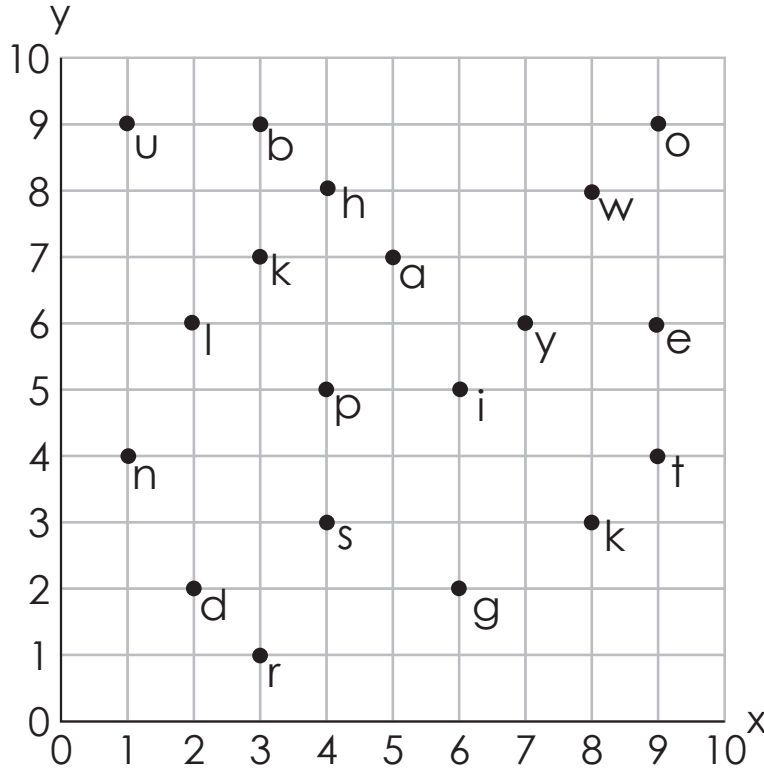

The Lord said to Samuel, "Go to Bethlehem. See Jesse. I have 8→ one of his sons to be king." 5 did what the Lord said. He asked Jesse and his sons to come offer a sacrifice with him. Jesse had 7 of his sons 6 in front of Samuel. But Samuel said to him, "The 3 did not pick any of them. Are these the only 1 you have?" "No," Jesse said. "My 9 son is taking care of the sheep." Samuel said, "Send for him." Jesse sent for his son 4. He came in. The Lord said to Samuel, "Get up and 8↓ oil on him. He is the one." So Samuel got a horn that was filled with oil. He put 2 on David's head.
