LORD, You have seen what is in my heart. You know all about me. You know when I sit down and when I get up. You know what I'm thinking even though You are far away. You know when I go out to work and when I come back home. You know exactly how I live. LORD, even before I speak a word, You know all about it. You are all around me, behind me and in front of me. You hold me safe in your hand. I'm amazed at how well You know me. It's more than I can understand. You created the deepest parts of my being. You put me together inside my mother's body. How You made me is amazing and wonderful. I praise You for that. What You have done is wonderful. I know that very well.
